

Application Form – PSI Product Presentations 2022

Novelty – Bestseller – Responsible product (CSR) – Custom-made product

We are pleased that you are applying for a cost free participation in the PSI Product Presentations 2022.

The advantages of your participation (in combination with a written confirmation) at a glance:

- **Another touchpoint for your trade show success**
The visitor will notice your product in the Community Café at the show.
- **Kick off exhibition event with a wow effect**
An attractive stand construction concept effectively stages your product.
- **The best directions to your show stand**
On each product, the visitor will find information about your product, your company and your stand number.
 - After the **application deadline** on **October, 15th 2021**, a committee will review all applications.
 - You will be informed on the status of the application through email by November 2021.
 - You will then be asked to insert all relevant **information** for the PSI Product Presentations Online-Preview in the **PSI Product Finder** by **December 31st, 2021**.
 - The **Online-Preview** in the **PSI Product Finder** starts on **January 3rd, 2022**.

N We now ask you to provide some information about your product. A product information (category, exhibitor name, product name, stand number) will be placed on each product.

Category:

Novelty ☐ Bestseller ☐ Responsible product (CSR) ☐ Custom-made product ☐

Novelty: the product is presented for the first time at PSI.

Bestseller: the product is currently particularly successful.

Responsible product (CSR): the product offers a responsible alternative to comparable products. CSR (Corporate Social Responsibility) stands for the voluntary contribution of business to sustainable development that goes beyond the legal requirements.

Custom-made product: the product was manufactured individually according to the wishes and needs of the customer. This can refer either to the whole product or to individual features such as colour, size, material, etc.
