Approval of compressed gas and liquid gas cylinders

You will find further information at section 5.7 of the Technical Guidelines

The storage or use of liquid gas or flammable or non-flammable gases in pressurised cylinders in the Fair halls and outside area without permission in writing is prohibited. The relevant regulations (regulations of the Employees' industrial compensation societies, Industrial Safety Regulations, etc.) specify that compressed-gas cylinders must be firmly positioned and protected from shocks, access by unauthorised persons and heat.
A processing fee of € 160 will be charged for applications for approval not submitted or those submitted after the deadline.
